Elías Cordova

Full-Stack developer

+584169332158 · wayelias13@gmail.com

RESUME

Computer Science Engineer (UNEXCA) with experience in Full-stack web development, both Front-end and Back-end. Master of PHP, JavaScript, CSS, and databases, along with various frameworks and libraries for these languages. Focus on optimization, intuitive interface design, and improved user experience. Proactive, attentive to detail, and a good team worker.

EXPERIENCE

MovidaGrafica — **Colombia**

Full-Stack developer — **2022 - 2023**

- At MovidaGrafica I worked as a full-stack project using different technologies such as Laravel, PHP, Bedrock (Wordpress), Sass, Bulma and Javascript.
- Developed reusable visual components, enhanced UI aesthetics, and collaborated with cross-functional teams to ensure design consistency and delivery efficiency.

EDUCATION

University Unexca — **Altagracia headquarter**

2017 - 2022

- Completed studies in Computer Engineering
